The Roadmap

1 **STEP ONE** Trust in God

"Trust in the Lord with All Your Heart, lean not unto thine own understanding. In all your ways acknowledge Him and he shall direct your path for Good!" -Proverbs 3:15

2 **STEP TWO** Learn chord shapes with your fingers

It all starts with a willing heart. If you have a desire to express your heart through music, YOU CAN DO IT, God will help you through it!! Curve your fingers like a claw around the fret board so each string can be heard. Then match up your fingers to the dots and THINK IT, FEEL IT, DO IT!

3 **STEP THREE** Practice the strumming/picking pattern with your other hand

Go slow to go fast! It's always wise to start with that phrase in mind when learning a new song. Use your voice to say "Down Up-Down Up-Down Up - Down Up" than parallel that phrase with your thumb finger(Down), your middle finger and your ring finger on the 2nd & 3rd strings(Up)! Do this picking pattern on the guitar & be amazed at what you can play!

4 **STEP FOUR** Play the chords, Sing, & ENJOY playing "We Gather In The Heart of Christ"

Smile, you are playing the Guitar!!!
It's happiness!
